CONGRATULATIONS

16 Goose: Champions of The Wall.

16 Goose went into The Wall in Mesa and came home with the title. Every player on that roster earned those champions shirts, point by point, and the whole club is proud of you.

The Goose call sign has a habit of this. Last season it came home with a Summer NIT title, and this season it has a medal before region play even opens. Congratulations to the players, the coaches and the families who got them there.

And to every Maverick team that played at The Wall: you represented this club well. Thank you for the way you competed and carried yourselves.

WHEELS UP

First Regional Tournament this Saturday.

Region Tournament #1 is **Saturday, September 19**, and region play opens for every Maverick team. One weekend, one squadron. This is what all the practices were for.

Pack the gear, fill the stands and bring the noise.

TOURNAMENT SCHEDULE

The schedule posts on AES once it is live. When it does, it will be right here at this button.

CAN'T MAKE IT TO THE GYM?

Grandparents, aunts and uncles can watch Maverick matches on Sporfie at sporfie.com/maverickvba.

A heads up on streaming: the wifi at some venues, including AAG, has a hard time keeping up with livestreams. If a stream lags or drops, that is the building's connection, and we are working on a better fix.

MAVERICK AIRTIME

Your business, live on Sporfie.

Every Maverick match streams on Sporfie, and families follow along all season. A business can put its logo in the rotation for **\$150**. The slot runs across our livestreams for the season and carries through to replays and highlight clips.

This one is not a donation. A business is buying real airtime in front of an audience of local families, and it is priced so a small shop can actually say yes.

PLAYERS: EARN YOUR SLUNKS

Bring in an Airtime sponsor at \$150 or more and earn an exclusive 1st Edition pair of Maverick Slunks. Made once. This season only. Never sold in the store.
