

A NOTE FROM MINDI

Thank you,
Maverick family.

To all our Maverick parents and families, thank you for believing in what we are building. Our mission has always been bigger than volleyball. We want to help change the way club volleyball is done by keeping opportunities open for athletes who simply want the chance to play, grow and be part of a team. We could not do that without the families who trust us, support us and believe in our vision.

We are incredibly grateful to our sponsors. Each of them connected with Maverick's vision through their own experiences and chose to step up and be part of something bigger.

TITLE SPONSOR

SUPERSTITION SPRINGS

Superstition Springs Lexus did not sign on for a logo on a wall. They signed on because a club working to keep kids on the court, whatever a family can afford, is worth standing behind. Investing in young people here in the East Valley is simply how they choose to show up, and our athletes are better for it. Mention Maverick at the dealership for special pricing.

GOLD SPONSOR

BANNER

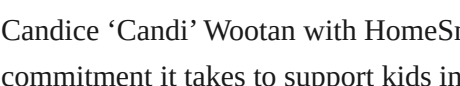

BEACH COMPANY

Sponsoring Maverick was a no-brainer! Through years of club volleyball, we have come to appreciate the positive environment Mindi and her team have created. Maverick is committed to excellent coaching, but even more to developing good young men on and off the court, and to keeping costs affordable for families. In a time when everything costs more, we are proud to support a club focused on giving more boys the chance to play and grow. Maverick has our full support.

SILVER SPONSOR

Candice 'Candi' Wootan with HomeSmart, our Silver Sponsor, knows firsthand the commitment it takes to support kids in competitive sports. Through years of watching her own two boys compete, she saw how quickly the costs can add up for families. Now that her boys are done playing, Candi did not hesitate to pay it forward and help give another athlete the opportunity to play, compete, and be part of something they love.

WINGMAN SPONSOR

We chose to sponsor a young volleyball player who had the heart and desire to play club volleyball and just needed someone willing to give him an opportunity. For us, it was about so much more than volleyball. It was about helping a young man build confidence, develop discipline, find a sense of belonging, and discover what he is capable of. Being part of a team creates community, friendships, accountability, passion, and the drive to work toward something bigger than yourself. Sometimes one opportunity and one person believing in you can make a lasting difference, and we wanted him to have that chance.

AMI AMO

VISIT WEBSITE →

We also want to recognize the many people who have quietly supported Maverick behind the scenes. Some lending their time and talents, others giving anonymously and asking for nothing in return. Your generosity may not always have a name attached to it, but its impact is felt, and you are an important part of making this movement possible.

To our parents, families, sponsors and everyone working alongside us, thank you for helping us build the kind of volleyball community we believe can make a difference.

Nobody flies alone.

Support these businesses. They support your kids. [See all sponsors →](#)

MAVERICK GIVES BACK

Families backing families.

Maverick Gives Back is a free directory on our site of businesses our families own or work for, alongside the businesses that sponsor this club. It exists for one reason: so the money our families already spend has a chance to circle back into our own community.

Before you hire a contractor, book a photographer, call a realtor or pick a place for dinner, look here first. You are hiring someone whose kid warms up next to yours.

OWN A BUSINESS OR WORK FOR ONE?

You do not have to be the owner. If you are a plumber, a welder, an electrician, a stylist, a nurse, a loan officer, whatever you do, list yourself and the company you work for so Maverick families know to ask for you by name. Listings are free, the form takes about two minutes, and you do not have to be a sponsor to be on it.

UPCOMING

Coming soon.

MAVERICK AIRTIME

Maverick matches stream on Sporfie, and a business can put its logo in the rotation for \$150. The slot runs across our livestreams for the season, and it carries through to replays and highlight clips. This one is not a donation. A business is buying real airtime in front of an audience of local families, and it is priced so a small shop can actually say yes.

PLAYERS: EARN YOUR SLUNKS

Bring in an Airtime sponsor at \$150 or more and earn an exclusive 1st Edition pair of Maverick Slunks. Made once. This season only. Never sold in the store.

MAVERICK IS JOINING FRYP

FRYP is an online fundraising platform built for teams, and it is one more way for a player to knock down their own fees. Each athlete gets a personal store link to share with family and friends, and what they raise goes toward what they owe. No door to door, no paper order forms, no envelope of cash to hand in. Team codes and the full walkthrough are coming soon.
